MARCUS OWEN GRAE V. SENSANO

INFORMATION TECHNOLOGY | PROGRAMMER | PROJECT MANAGER

As an IT graduate, my objective is to secure a position in the field of information technology where I can utilize my technical skills and knowledge to contribute to the success of the organization. I aim to apply my expertise in areas such as software development, system administration, and troubleshooting to support the company's IT infrastructure and deliver efficient solutions. With a proactive and adaptable approach, I am eager to learn and grow while making a positive impact in a dynamic IT environment.
